Cancellation Policy

Please be advised that our cancellation policy requires 24-hour advance notice for cancellations of appointments. This is required due to the difficulty in scheduling clients in a timely manner. Our office feels it is the client's responsibility to keep all scheduled appointments. If you are unsure whether you can make an appointment, please call and cancel it so that another client may take advantage of the practitioner's availability.

Unfortunately, if the 24-hour advance notice is not received, it will be the client's responsibility to pay for the missed session.

Thank you for your anticipated cooperation in this matter.

By signing this document, I agree to abide by the above cancellation policy.
